Tumble down flop on your knees

And when the stormy winds wail

And the breezes blow high in a gale

There's a curious dropping and flopping and plopping

And fat little babies just hail-hail

Fat little babies just hail

And the babies lie there in a pile

And the grown-ups they come after awhile

And they always pass by all the babies that cry

And take only babies that smile-smile

Take only babies that smile

Even triplets and twins if they'll smile

Farewell to old England for ever
Farewell to my rum coes as well
Farewell to the well-known Old Bailey
Where I used for to cut such a swell

[Chorus]
Singing too-ral-li oo-ral-li addity
Singing too-ral-li oo-ral-li ay
Singing too-ral-li oo-ral-li addity
And were bound for Botany Bay

Theres the captain as is our commander
Theres the bosun and all the ships crew
Theres the first- and the second-class passengers
Knows what we poor convicts go through

Taint leaving old England we cares about
Taint cos we mis-spells what we knows
But because all we light-fingered gentry
Hops around with a log on our toes

+6 +7 -7 -7 -6 +6 +6 -6 +6 +6 +5 +5
I danced with that gal with a hole in her stocking

+5 +5 +6 +6 +6 -5 -4 -4 +4
And we danced by the light of the moon

As I was walking down the street
Down the street, down the street
A pretty little gal I chanced to meet
Oh she was fair to view

Buffalo gals won't you come out tonight
Come out tonight, come out tonight
Buffalo gals won't you come out tonight
And dance by the light of the moon

She was the prettiest gal I've seen in my life
In my life, in my life
And I wished to the Lord she'd be my wife
Then we would part no more

Oh yes dear boy, I'm coming out tonight
Coming out tonight, coming out tonight
Oh yes dear boy, I'm coming out tonight
And we'll dance by the light of the moon

I danced with that gal with a hole in her stocking
And her heel kept a-rockin' and her toe kept a-knockin'
I danced with that gal with a hole in her stocking
And we danced by the light of the moon

Oh Danny boy, the pipes, the pipes are calling
From glen to glen, and down the mountain side
The summer's gone, and all the flowers are dying
'Tis you, 'tis you must go and I must bide
But come ye back when summer's in the meadow
Or when the valley's hushed and white with snow
'Tis I'll be here in sunshine or in shadow
Oh Danny boy, oh Danny boy, I love you so

And if you come, when all the flowers are dying
And I am dead, as dead I well may be
You'll come and find the place where I am lying
And kneel and say an "Ave" there for me

And I shall hear, tho' soft you tread above me
And all my dreams will warm and sweeter be
If you'll not fail to tell me that you love me
I'll simply sleep in peace until you come to me
I'll simply sleep in peace until you come to me

Lyrics of Tom Roush' vocal version:

There's a low green valley on the old Kentucky shore
Where I've whiled many happy hours away
Just a sitting and a singing by the little cottage door
Where lived my darling Nellie Gray

Oh my poor Nellie Gray they have taken you away
And I'll never see my darling anymore
I'm sitting by the river and I'm weeping all the day
For you've gone from the old Kentucky shore

The moon had climbed the mountain & the stars were shining too
Then I'd take my darling Nellie Gray
And we'd float down the river in my little red canoe
While my banjo sweetly I would play

One night I went to see her but she's gone the neighbors say
The white man had bound her with his chain
They have taken her to Georgia for to wear her life away
As she toils in the cotton and the cane

My canoe is under water and my banjo is unstrung
I'm tired of living anymore
My eyes shall look downward and my songs shall be unsung
While I stay on the old Kentucky shore

My old eyes are getting blinded and I can not see my way
Hark! There's somebody knocking at the door?
Oh I hear the angels calling and I see my Nellie Gray
Farewell to the old Kentucky shore

Oh my darling Nellie Gray up in heaven there they say
They'll never take you from me anymore
I'm coming, coming, coming, as the angels clear the way
Farewell to the old Kentucky shore
I'm coming, coming, coming, as the angels clear the way
Farewell to the old Kentucky shore

Darling Nelly Gray

Well when I lost my baby
I almost lost my mind
Well when I lost my baby
I almost lost my mind
Oh well my head is in a spin
Since she left me behind
Oh well I passed a billion people
Can't tell who I meet
Oh well I passed a billion people
Well I can't tell who I meet
'Cause my eyes are full of tears
Where can my baby be

Oh well I went to see a gypsy
Oh well I had my fortune read
Oh well I went to see a gypsy
And had my fortune read
Oh well I hung my head in sorrow
When she said what she said
Oh well I can tell you people
The news was not so good
Oh well I can tell you people
The news was not so good
Well she said you're baby's quitin'
This time she's gone for good

The Fields Of Athenry (Paddy Reilly)

+3 +3 +3 +3 +4 -4 +5
By a lonely prison wall

+5 -5 -5 -5 +6 +5-5+5+4 -4
I heard a young girl callin'

Michael they have taking you away

+5 -5 +6 +6 +6 +5 -5
For you stole Treveleyn's corn

So the young might see the morn

Now a prison ship lies waiting in the bay

Low lie the fields of Athenry

Where once we watched the small free birds fly

+5-5 +6 +6 +6 +5 -5
Our love was on the wing

+6 -5 +5 -4 +4-4 +5 -4
We had dreams and songs to sing

+3 +3 -4 -4 +5 -5 +5 -4 +4-3 +4
It's so lonely 'round the fields of Athenry

By a lonely prison wall
I heard a young man callin'
Nothing matters Mary when you're free
Against the famine and the crown
I rebelled and they cut me down
Now you must raise our child with dignity

By a lonely harbour wall
She watched the last star fallin'
As the prison ship sailed out against the sky
For she'll live and hope and pray
For her love in Botany Bay
It's so lonely 'round the fields of Athenry

This is my song, oh God of all the nations

+5 -4 +5 -5 +5 -4 +5 +4 -4 +5
A song of peace for lands a_far and mine

+6 +6 +6 -6 +5 +5 +6 +6 -4 -4 -5
This is my home, the country where my heart is

-5 +5 -4 +5 +4 +4 -4 -4 +5 +5
Here are my hopes my dreams my ho_ly shrine

+6 +6 +6 -6 +5 +5 +6 +6 -4 -4 -5
But other hearts in other lands are beating

-5 +5 -4 +5 +4 +4 -4 -4 +4 +4
With hopes and dreams as true and high as mine

My country's skies are bluer than the ocean
And sunlight beams on clover leaf and pine
But other lands have sunlight too and clover
And skies are everywhere as blue as mine
This is my song, oh God of all the nations
A song of peace for their land and for mine

So let us raise this melody together
Beneath the stars that guide us through the night
If we choose love, each storm we'll learn to weather
Until true peace and harmony we find
This is our song, a hymn we raise together
A dream of peace, uniting humankind

She's the belle of Belfast city

+6 +6 +6 +5 -5 -5 -5

+5 +5 +5 +5 -5 +5 +4
Won't you tell me who is she

Albert Mooney says he loves her
All the boys are fightin' for her
Knock at the door, they're ringin' the bell
Say, Hello, my true love are you well

Out she comes white as snow
Rings on her fingers, bells on her toes
Ol' Jenny Murray says she'll die
If she doesn't get the fellow with the roving eye

Let the wind and the rain and the hail blow high
And the snow come travelin' through the sky
She's as sweet as apple pie
She'll get her own right by and by

When she gets a lad of her own
She won't tell her ma when she gets home
Let them all come as they will
It's Albert Mooney she loves still

Lili Marlene (Vera Lynn)

Written as a poem by Hans Leip in 1915, first recorded (in German) by Lale Andersen in 1939. There are about 200 versions of the song in different languages. Most famous are those of Marlene Dietrich (1945) and Vera Lynn (1962).

Darling I'd caress you and press you to my heart
And there neath that far off lantern light
I'd hold you tight, we'd kiss good night
My Lili of the lamplight, my own Lili Marlene

Resting in our billet, just behind the line
Even though we're parted your lips are close to mine
You wait where that lantern softly gleamed
Your sweet face seems to haunt my dreams
My Lili of the lamplight, my own Lili Marlene

I am the Lord of the dance said he

+3 +3 +4 +4 +4 -4 +5 -4 +5 -5 +6
And I'll lead you all wherever you may be

-5 +5 -4 -4 +5 +5 -4 +4 +4 +4
And I'll lead you all in the dance said he

I danced for the scribe and the pharisee
But they would not dance and they wouldn't follow me
I danced for the fishermen for James and John
They came with me and the Dance went on

I danced on the Sabbath and I cured the lame
The holy people said it was a shame
They whipped and they stripped and they hung me on high
And they left me there on a Cross to die

I danced on a Friday when the sky turned black
It's hard to dance with the devil on your back
They buried my body and they thought I'd gone
But I am the dance and I still go on

Where the Mountains of Mourne sweep you down to the sea

I believe that when writing a wish you expressed
As to how the fine ladies in London were dressed
Well if you'll believe me, when asked to a ball
They don't wear no top to their dresses at all
I've seen them myself and you could not in truth
Say that if they were bound for a ball or a bath
Don't be starting them fashions now Mary Macree
Where the Mountains of Mourne sweep down to the sea

Remember young Peter O'Loughlin, of course
Well, he's over here now at the head of the force
I met him today, I was crossing the Strand
And he stopped all the traffic with one wave of his hand
As we were talking of days that are gone
The whole population of London looked on
But for all those great powers he's wishful like me
To be back where the dark Mourne sweeps down to the sea

There's beautiful girls here, oh never you mind
With beautiful shapes nature never designed
And lovely complexions all roses and cream
But O'Loughlin remarked with regard to the same
That if of those roses you venture to sip
Sure the colour would all come away on your lips
So I'll wait for the wild rose that's waiting for me
Where the Mountains of Mourne sweep down to the sea

When everything was still
I thought I saw Susanna
A-coming down the hill

The buckwheat cake was in her mouth
The tear was in her eye
Says I, I'm coming from the south
Susanna, don't you cry

Far from de old folks at home

All round de little farm I wandered
When I was young
Den many happy days I squandered
Many de songs I sung
When I was playing wid my brudder
Happy was I
Oh take me to my kind old mudder
Dere let me live and die

One little hut among de bushes
One dat I love
Still sadly to my memory rushes
No matter where I rove
When will I see de bees a-humming
All round de comb
When will I hear de banjo strumming
Down in my good old home

[HERHAAL DEEL 2]

On Raglan Road of an autumn day
I saw her first and knew
That her dark hair would weave a snare
That I might one day rue
I saw the danger and I passed
Along the enchanted way
And said let grief be a fallen leaf
At the dawning of the day

On Grafton Street in November
We tripped lightly along the ledge
Of a deep ravine where can be seen
The worth of passion's pledge
The Queen of Hearts still making tarts
And I not making hay
Oh I loved too much and by such by such
Is happiness thrown away

I gave her gifts of the mind
I gave her the secret signs
Known to the artists who have known
The true gods of sound and stone
And word and tint I did not stint
I gave her poems to say
With her own name there
And her own dark hair
Like clouds over fields of May
Etc.

And come tell me Sean O'Farrell, where the gathering is to be
At the old spot by the river, quite well known to you and me
One more word for signal token, whistle out the marching tune
With your pike upon your shoulder at the rising of the moon
At the rising of the moon, at the rising of the moon
With your pike upon your shoulder at the rising of the moon

Out from many mud walled cabin eyes were watching thru the night
Many a manly heart was beating for the blessed morning's light
Murmurs ran along the valley to the banshee's lonely croon
And a thousand pikes were flashing by the rising of the moon
By the rising of the moon, by the rising of the moon
And a thousand pikes were flashing by the rising of the moon

All along that singing river, that black mass of men was seen
High above their shining weapons flew their own beloved green
Death to every foe and traitor, whistle out the marching tune
And hoorah me boys for freedom 'tis the rising of the moon
'Tis the rising of the moon, 'tis the rising of the moon
And hoorah me boys for freedom 'tis the rising of the moon

It's the heart afraid of breaking
That never learns to dance
It's the dream afraid of waking
That never takes the chance
It's the one who won't be taken
Who cannot seem to give
And the soul afraid of dying
That never learns to live

When the night has been too lonely
And the road has been too long
And you think that love is only
For the lucky and the strong
Just remember in the winter
Far beneath the bitter snow
Lies the seed
That with the sun's love
In the spring
Becomes the rose

Parsley, sage, rosemary and thyme
Tracing of sparrow on snow-crested brown
Without no seams nor needle work
Blankets and bedclothes the child of the mountain
Then she'll be a true love of mine
Sleeps unaware of the clarion call

Tell her to find me an acre of land
On the side of a hill a sprinkling of leaves
Parsley, sage, rosemary and thyme
Washes the grave with silvery tears
Between the salt water and the sea strands
A soldier cleans and polishes a gun
Then she'll be a true love of mine

THE SKYE BOAT SONG

Traditional Scottish Melody

(♩. = 48)

Bew. Viola Barends december 2014

The musical score is written for a piano accompaniment in 8/8 time. It consists of four systems of music, each with a treble and bass staff. Chords are indicated above the treble staff, and fingerings are indicated below the notes. The score includes dynamic markings such as *mp* (mezzo-piano) and *mf* (mezzo-forte), and a *rall.* (rallentando) marking at the end. A red vertical bar is placed between the second and third systems, and another between the third and fourth systems, likely indicating a section break or a change in the piece. The chords and fingerings are as follows:

Wildwood Flower (The Carter Family)

+5 -5 +6 -6 +7 +5 -5 +5 -4 +5 -4 +4
Oh I'll twine with my mingles and waving black hair

+5 -5 +6 -6 +7 +5 -5 +5 -4 +5 -4 +4
With the roses so red, and the lilies so fair

+6 +7 +8 +8 -8 +7 +6 +6 -6 +7 -6 +6
And the mirtles so bright with the e-me-rald dew

+4 -4 +5 +5 -4 +5 +6 +5 -4 +5 -4 +4
With the pale and the leader and eyes look like blue

I will dance I will sing and my laugh shall be gay
I will charm every heart in each crown I will sway
When I woke from my dreaming my idols were clay
All portions of love had all blown away

Oh he taught me to love him and promised to love
And to cherish me over all others above
How my heart is now wondering no misery can tell
He's left me no warning no words of farewell

Oh he taught me to love him and call me his flower
That was bloomin' to cheer him thru life's dreary hour
Oh I long to see him and regret the dark hour
He's gone and neglected his pale wildwood flower

The other night dear
As I lay sleeping
I dreamed I held you in my arms
When I awoke dear
I was mistaken
And I hung my head and cried

I'll always love you
And make you happy
If you will only say the same
But if you leave me
To love another
You'll regret it all some day
